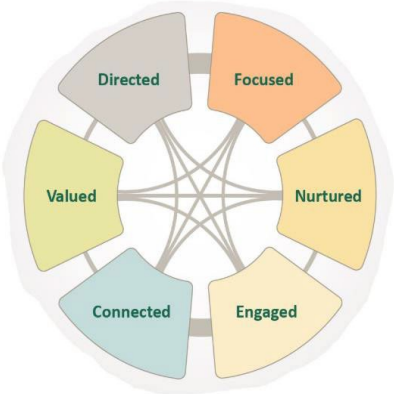
CULTURE OF CARE

MiraCosta College (MCC) embraces a holistic and seamless approach to student learning. Through programs and services, we are committed to student success by creating a culture of care and support.

MiraCosta is committed to a proactive approach to helping our students succeed while maintaining a safe environment for the entire campus community.

In order for students to be successful, our goal is to help them be:

- **Directed:** have a goal and know how to achieve it
- **Focused:** stay on track to reach their academic goals
- **Nurtured**: we are here to help by providing tools and resources
- **Engaged:** by actively participating in class and co-curricular activities
- **Connected:** become part of the college community
- **Valued:** skills, talents, abilities, and experiences are recognized and positive contributions to this learning environment are appreciated



Additionally, a MiraCosta College Student Success email is sent to all students. The email includes important deadlines and activities for that week.

The following pages provide some information on student support services that can help students be successful at MiraCosta.

CULTURE OF CARE

Campus Assessment, Resources, and Education (CARE) Program & Food Pantry

The Campus Assessment, Resources, and Education (CARE) Program is responsible for addressing the basic needs and other identified concerns of students through a holistic approach. The CARE team is committed to providing case management support to students through ensuring connections to on-and-off campus resources that will address food, housing insecurity, childcare, transportation, mental health, and more. If you or someone you know may benefit from our program, you may submit a CARE referral and a CARE Team member will outreach to determine how we can best provide care and support via phone, email, or Zoom.

For a list of available resources and additional information of our program services, please visit our website. You can also access information on resources by reviewing our CARE Basic Needs Resource Guide or by dialing 2-1-1 to speak with a Community Resource Specialist to discuss available countywide resources.

ACADEMIC SUPPORT

Academic & Career Pathways

Academic Career Pathways (ACPs) are designed to make your academic and career journey easier. ACPs provide a roadmap that groups similar majors and courses together, helping you pick what you are passionate about, plan your education, and get a degree, certificate, or transfer. ACPs connect you to a community of learners where you can meet and engage with students who share your goals. Let's get started on your path to success!

Whether you are undecided about which pathway is right for you or want to connect with your learning community, we are here to help you!

To learn more about which majors are connected to each pathway, visit our website. Check out the 'Career Coach' tool on the home page to explore careers related to your major. Contact us for any additional support. Our Success Coaches and Peer Mentors are here to help you navigate your path!

ACP WEBSITE

Open Computer Lab

The **Open Computer lab** offers both in-person and virtual services for MiraCosta College students who need support with SURF, Canvas, course-related assignments, access to specific computer programs (some available virtually), need to scan or print. Support is available at the Oceanside Campus and the San Elijo Campus.
Tip: if you need to print make sure to bring dollar bills.

Lab assistants provide support for across-the-board questions and requests for support for software like SURF, Canvas, Office, Adobe, Cengage, VMWare, and access to MAT Servers just to name a few.

- Access to most course-required software onsite or virtually through VMware to access SPSS, AudoDesk, CS Software, and more.
- Software support for canvas and canvas related software, adjusting settings, uploading documents, posting content, and using studio.
- Printing (.05 per page B&W, .50 per page color) and scanning services—kiosks are cash only, Kiosk locations at Oceanside (Learning Center on first floor & Open Computer lab on second floor) of Bldg. 1200 Learning Commons and San Elijo (Open Computer Lab Bldg. 100, room 106) Learning Commons.

Online support via the Online Open Computer Lab for all services except printing.

Friday:	Closed

ACADEMIC SUPPORT

The Learning Centers (TLC)

The Learning Centers provide a comprehensive range of tutoring, writing feedback, and other academic support services to help students succeed across various disciplines. Our offerings include drop-in, 1:1 appointments, in-class assistance, and student success workshops. Tutors are available for most courses that MiraCosta offers and writing consultants can assist you with writing assignments for any course – we are here to assist you!

Students can study, work on their assignments, ask for feedback, or get help with writing, grammar, speech support, reading, and more. Additionally, we have course materials, textbooks, laptops, calculators, anatomy models, and more, all available for checkout in the building. Our goal is to create a welcoming environment where students can thrive academically.

THE LEARNING CENTERS

ASIC STEM LC Writing Center

Welcome Centers

There are two **Welcome Centers** located on the **Oceanside Campus in Buildings 3300 and 3700**. These Welcome Centers house student support advisors to help students navigate financial aid, admissions and records, and counseling inquiries.

Financial Aid provides financial assistance from various federal and state programs, including the MiraCosta College Promise. Staff are available to help students apply for financial aid and answer questions.

Phone: 760.795.6711 OR 888.201.8480 x6711
Email: MCCFinAid@miracosta.edu

Admissions and Records processes applications for admission; registering students in credit and noncredit classes; processing grades; evaluating records for graduation certificates and transfer; providing official transcripts; and enforcing academic regulations and deadlines.

Email: admissions@miracosta.edu
Phone: 760.795.6620

Academic Counseling is where students can meet with a counselor via 45-minute appointment; express and mobile counseling; online express chat and appointments; workshops; and informational videos. Students must have a comprehensive education plan to obtain and maintain priority enrollment.

Email: ncstudentsupport@miracosta.edu

Email: onlineadvisor@miracosta.edu

Welcome Center 1 (Located in Bldg. 3300)	
Monday - Thursday:	8 a.m. - 7 p.m.
Friday:	8 a.m. - 3 p.m.

Welcome Center 2 (Located in Bldg. 3700)	
Monday - Thursday:	8 a.m. - 7 p.m.
Friday:	8 a.m. - 3 p.m.

***Times subject to change, see website for the current hours.**

STUDENT SUPPORT

Academic Counseling

Academic Counseling provides advising and educational planning for students to be successful in achieving their educational goals and at MiraCosta. Students can meet with a counselor via 45-minute appointment; express and mobile counseling; online express chat and appointments; workshops; and informational videos. Students must have a comprehensive education plan to obtain and maintain priority enrollment.

STUDENT SUPPORT

Career Center

The Career Center empowers students to make informed, intentional career decisions. Career counselors can help with choosing a major through career assessments and career counseling and with exploring careers, salaries, and demand. Classified professionals can help you find an internship, co-op, on-campus job, or off-campus job on MiraCosta's Job and Internship Network (JAIN) and with every step you need to take to get ready to send your resume to and interview with employers. Watch for workshops and events to connect you with professors (MajorFest) and employers (Job and Internship Fair and employer panels).

CAREER WEBSITE

Career Center services available at the Oceanside Campus and the San Elijo Campus. Oceanside Campus hours are below. Call to schedule an appointment at San Elijo.

Click here to Request Information

Health Services

Health Services is now open year-round! Our Oceanside health office will be open during semester breaks for drop-in mental health counseling and nursing services. During the fall, spring, and summer semesters, health services will be open on both the Oceanside and San Elijo Campuses. If you are enrolled and have paid the health fee, you have access to the medical and mental health services we provide. If you are experiencing an urgent or emergent need outside our operating hours, please call 911. For mental health crises, call 888-724-7240 or text COURAGE to 741741.

Medical Services

Medical services include care provided by registered nurses and nurse practitioners. The Student Health Services administrative fee supports these services. Most services are provided without any additional cost to the student. Services include:

- Low-cost laboratory testing
- Low-cost prescriptions, prescription refills, and prescription assistance programs
- Tuberculosis clearance for employment and other programs
- Physical examination
- Health education, information, and referrals

Personal/Mental Health Counseling

Sessions are 50 minutes, one time per week for up to six consecutive weeks per semester. Drop-in crisis sessions of up to 50 minutes are also available. Sessions may be used for individual, relationship, or family counseling. Only one family member needs be an enrolled student. Case Management appointments are also available to get students connected to off-campus resources. Common reasons to seek mental health counseling are:

- Generally overwhelmed with life
- Difficulties at school or work
- Stress and anxiety
- Depression
- Difficulty with sleep
- Relationship challenges
- Substance use and other addictions
- Concerns about eating
- Sexuality
- Gender identity
- Traumatic life experiences
- Trauma related to marginalization

STUDENT SUPPORT

Hispanic Serving Institution, Title V Grant

Confianza, Cultura, Cariño y Comunidad: Humanizing MiraCosta's Network of Care to Propel Students to Academic and Career Success

MiraCosta College received a Title V Grant for a 5-year initiative in which MiraCosta will focus on the strengths and needs of Hispanic/Latinx students intentionally addressing Hispanic/Latinx student ***access, healing, learning, and achievement*** in a post-COVID era. In order to do this MiraCosta College will address three interconnected problems:

#1: Career Experiences & Outcomes Disconnected from Academics & Supports Problem

#2: Student Disconnection & Disengagement Following COVID-19 Problem

#3: Organizational Identity Disconnected from Hispanic/Latinx Culture

Through the Title V Grant we will have internship opportunities for MiraCosta Hispanic/Latinx students that will fund general Internships as well as Promotora Model Interns. See Below for more information.

Internships Funds will be available to support internships for Hispanic/Latinx students, developed through partnerships with local industry, with long-term sustainability supported by endowment.

Promotoras Funds will be available to support the Promotoras model through which bilingual students will be trained to conduct outreach in MCC's service-area Hispanic communities under the direction and support of the Community Engagement Lead. Promotoras will be successful second-year Hispanic/Latinx students and will be trained to promote the value of MCC's programs for socioeconomic mobility.

STUDENT SUPPORT

Service Learning & Volunteer Center
(Center for Course-Connected & Co-Curricular Services)

The Service Learning & Volunteer Center assists students in finding community and campus partnerships for course-connected and co-curricular service projects. The center partners with local non-profit groups, public schools, parks and recreation centers, libraries, etc. Service opportunities may be done in person and online. Students who participate in service tend to have higher course satisfaction, higher retention rate, and higher GPA.

In addition, students have reported that service experiences have led to job and internship opportunities. The center also coordinates annual campus-wide days of service such as Dr. King Day of Service, Make a Difference Day, César Chávez Day of Service, Read Across America, and Alternative Spring Break.

Students use these experiences to explore career paths, increase social and cultural capital, and increase awareness of the community resources. Many students apply service hours on their resume, when they apply for scholarships or UC transfer applications. Students may earn a certificates of participation for both service learning (15 hours for one course at one location) or volunteer hours (50+ hours during the school year). Check out our website:

Student Helpdesk

The MiraCosta College's Student Help Desk assists MiraCosta College students with the following services:

• Provides first contact technical support to students who are experiencing issues with our campus online portals such as SURF, Canvas, FTP Servers, VMware, and Wi-Fi.

• Provides basic academic guidance and procedures such as registration, matriculation, searching, adding, dropping, and paying for classes, books, parking permits, grades, and transcripts.

• Troubleshoots login complications such as onboarding & upon verification unlocking accounts and help with password resets.

• Provides "How to" tutorials regarding our online portals.

For assistance, students may contact the Help Desk via phone at 760.795.6655, email studenthelp@miracosta.edu, and/or the live chat room on the website.

STUDENT SUPPORT

Student Equity

The Department of Student Equity advocates for communities that the collegiate system was not originally designed to serve or that have not historically been centered. We work to create and support new and existing resources that cultivate inclusion, diversity, and equity at MiraCosta by fostering student leadership, collaborating with campus partners, and raising awareness of the unique experiences of the diverse populations we serve.

The department provides leadership and coordination for Academic Success & Equity Programs (ASE), the Social Justice and Equity Center (SJEC), History and Heritage programming and much more. The SJEC is a student-driven space where all students can learn about social justice and equity topics in interactive workshops, get resources like snacks, and supplies, and practice advocacy and dialogue skills.

Academic Success and Equity (ASE) Programs intentionally center communities that have been historically marginalized in traditional higher education settings: students who are Black & African-American (Umoja), Latinx & Chicanx (PUENTE), Native Hawaiian & Pacific Islander (Mana), Undocumented or mix status, (UPRISE), former foster youth (RAFFY), formally incarcerated, justice/system-impacted (Transitions Scholars) and Lesbian, Gay, Bisexual, Trans, Questioning/Queer, Intersex, Asexual + (SPHERE) students.

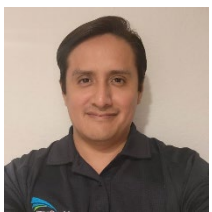
TRANSFER CENTER MIRACOSTA COLLEGE



Veterans Services

Veterans Services provides a place for military-affiliated students to find resources on Veterans Affairs (VA) educational benefits, MiraCosta student services, and community organizations that are dedicated to assisting veterans and their family members. In addition, students can process paperwork and get their courses certified for GI Bill benefits, including Montgomery and Post 9/11 GI Bill, Veteran Readiness & Employment (VR&E) program and Chapter 35 – Dependent Education Assistance. The center also provides a place for students to relax, study, and meet with friends.

MiraCosta College is one of two schools in San Diego County that has a VetSuccess on Campus (VSOC) representative. The VSOC is an employee of the Department of Veterans Affairs who works in Veterans Services to assist students with support to pursue their educational and employment goals.

The Veterans Services staff is committed to helping you achieve your academic goals. For more information, please visit our website.

SPARTANS

Student Life & Leadership (SLL)

Student Life & Leadership (SLL) welcomes all students and empowers them to build community and enjoy their Spartan Experience. SLL connects students with clubs, advocacy work, and advances their leadership skills. SLL offers students the opportunity to track their involvement across campus with their Co-Curricular Learning Transcript, which they can refer to in their transfer applications and job interviews as they learn and grow their leadership skills.

SLL supports more than 45 student clubs and organizations! Some of our most active clubs include the Black Student Union (BSU), Latina Leadership Network (LLN), the Gender Sexuality Alliance (GSA), and Movimiento Estudiantil Chicanx de Aztlán (M.E.Ch.A). Our notable organizations include Phi Theta Kappa Honors Society (PTK), and the Associated Student Government (ASG).

The ASG is a group of student leaders who represent students across the district and drive equity-focused goals forward through hosting College Hour events and through ASG committee work, such as the Diversity, Equity & Inclusion committee, to strive for progress across campus to best support our community.

We are also here to celebrate your success! SLL leads the Commencement team who plans graduations celebrations, including Grad Fest, leads the Commencement Speaker & Commencement Artist selection committee, and plans the big commencement event each May.
