Section 2. Quorum

Each Consortium member is represented by a single official (or the member's alternate) to serve on the Consortium's Board, and each Consortium member official has a single vote. A majority of the Board must be present at a meeting before a vote can be taken. In the event a quorum is not present at a publicly noticed meeting, discussion without a vote may still occur on items set forth in the agenda for the meeting. Proxy voting through an alternate approved by the governing board of a Consortium member is permitted. Decision-making is made through consensus and efforts should be made to negotiate agenda items to reach a unanimous consensus.

Section 3. Frequency of Meetings

The Board shall hold at least three regular meetings per academic year. The Board may hold additional regular meetings, and call special meetings, as deemed necessary by the Board, subject to the notice requirements of [Section 1](#) of this Article.

Section 4. Meetings Notice - Generally

The Board shall approve the scheduling of its regular meetings. The Consortium administrator shall post this information (including the location, room, address and time) on the Consortium website for public access. The meeting notice shall include:

- a. a posting of the agenda, with a brief description of each matter (including items to be discussed in closed session) to be introduced as well as an indication as to which items seek action; and
- b. all documents referenced by or listed on the agenda for action or consideration.

Section 5. Regular Meetings

For all regular meetings, the Consortium administrator, or another staff member as the Board elects, shall post the meeting notice and agenda no later than seventy-two (72) hours before the regular meeting. This designated person shall also send written notice to the Board, all Consortium members (i.e. non-voting members or members without official representatives), workgroup members, and other persons the Board deems necessary. Brown Act 54954.2.

Section 6. Special Meetings

Special meetings may be called by the Consortium Chair or by two Consortium members. At least a twenty-four (24) hour written notice must be provided to the Board, posted on the Consortium website, and sent to media outlets that have requested notices of meetings in writing, including a brief general description of the matters and proposed action to be considered or discussed. Brown Act § 54956.

Section 7. Emergency Meetings

“Emergency meetings” are a limited class of meetings held when an agency must take prompt action due to an actual or threatened emergency. They require little notice. (Gov. Code, § 54956.5.) An emergency means a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body. (Gov. Code, § 54956.5 subd.)

Section 8. Public Comment

Items on the agenda: Members of the audience may address the Board on any item listed on the agenda when that agenda item comes up for discussion and/or action. Comments will be limited to three (3) minutes per agenda item and a total of fifteen (15) minutes of public comment on an item, unless waived by the board. Consent items are considered routine and customary Consortium business, and are voted on in one vote; however, a board member or a member of the audience may request that an item listed on the consent items be removed and considered individually.

Items not on the agenda: Members of the audience may address the Board on any topic not on the agenda so long as the topic is within the jurisdiction of the Consortium. Under the Brown Act, the board is not permitted to engage in public discussion or take any action on an item not on the agenda, except that members of the board may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Government Code §54954.3. In addition, on their own initiative, or in response to questions posed by the public, a member of the board may ask a question for clarification. A member of the board or the board itself may provide a reference to staff or other resources for information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda. Comments from visitors shall not exceed three (3) minutes unless the board waives the time limit. The board may also limit the total amount of time for speakers on a particular topic to fifteen (15) minutes

Section 9. Closed Meeting Actions

At an open session following a closed session, the Board must report on final action taken in closed session under the circumstances defined under the Brown Act. Where final action is taken with respect to contracts, settlement agreements or other specified records, the public may receive copies of such records upon request. Brown Act, § 54957.1. Agenda for closed meetings shall conform with the model format for closed session agendas set forth in the Brown Act, section 54954.5.

Closed-session meetings are only permitted in limited circumstances to address personnel decisions, public security of buildings and services, pending litigation, labor negotiations and real property negotiations. Brown Act § 54956.9 and .8, 54957, 54957.6.

Section 10. Taping or Broadcasting

Meetings may be broadcast, audio-recorded or video-recorded so long as the activity does not constitute a disruption of the proceeding. Brown Act, section 54953.5 and 54953.6.

Any audio or video recording of an open and public meeting made for whatever purpose by or at the direction of the Consortium shall be subject to inspection per the CA Public Records Act, but may be erased or destroyed 30 days after the recording.
