

## NCESL45, English As A Second Language, Level 7

### Listening

Identify key information in a variety of formal and informal media presentations.

1. Identify key information in a variety of formal and informal media presentations (e.g. lectures, broadcasts).
2. Deduce meaning from a variety of live or recorded informal conversations among speakers of English without too much repetition.

### Speaking

Demonstrate the ability to communicate fluently in informal and formal conversations and presentations.

1. Prepare and deliver an organized presentation based on a variety of sources (lectures, readings, broadcasts or personal experience).
2. Use a variety of language functional strategies (e.g. *ask for and give clarification, ask relevant questions*) by participating in formal and informal contexts.

### Reading

Interpret meaning from a variety of authentic readings in identified areas of interest.

1. Identify main ideas of various types of authentic readings (e.g. *short stories, non-fiction, manuals*)
2. Interpret key information from print materials using a variety of reading strategies (e.g. *vocabulary words and phrases using context clues, making inferences, skimming, and scanning*).

### Writing

Compose well organized, coherent paragraph (s) with appropriate detail and sentence variety.

1. Compose well organized, coherent paragraphs (9 – 16 sentences) demonstrating appropriate sentence variety (e.g. *simple, compound and complex sentences*).
2. Modify writing for content, organization, grammar, and mechanics.
