

FREE DUAL ENROLLMENT CLASSES NOW AT OCEANSIDE UNIFIED HIGH SCHOOLS

Oceanside, El Camino & Surfside high school students: Earn college credit from MiraCosta College

What is Dual Enrollment?

College courses taught by college faculty for college credit.

Why take Dual Enrollment courses?

Explore courses, majors, and careers while earning credit towards certificates, degrees, and transfer goals.

Who should enroll?

Students interested in the available classes can enroll and also access the FREE tutoring, library, and other support services available to all MiraCosta College students.

What is the cost of Dual Enrollment?

Courses, textbooks, and materials are FREE to Dual Enrollment students.

Is there an additional test or requirements to earn credit, like AP classes?

Students earn the college credit as long as they pass the course with a C or higher. There is no additional test a student has to take outside of the college coursework.
