## Reminders about myEdPlan Degree Audits:

- External credit from other campuses <u>is not included</u> in the degree audit at this time.
- Preparation courses for transfer to another institution will not be reflected in the degree audit, but may be reflected on your semester-by-semester education plan.
- **3.** The degree audit does not include prerequisite or remediation requirements, but these should be included in the semester-by-semester plan.
- **4.** The semester-by-semester plan will not check for unmet prerequisites, co-requisites, or remediation requirements when building a plan.
- 5. If your major, education goal, or GE pattern is incorrect, these will first need to be updated in the SURF system. See your counselor to update your major, catalog year, GE pattern, or ed goal or update by following the directions linked here: How to Change Your Major in SURF.
- See your counselor for help reviewing and interpreting your degree audit or semester-by-semester plan.
- Only a counselor can make a plan official plan by making it 'Active'. You will not be allowed to edit your Active and locked plan.

## **Degree Audits**

### What is a Degree Audit?

A degree audit is a list of outstanding and completed academic requirements for

completing your goal at MiraCosta (associate degree, or certificate).
